To Whom It May Concern,

Warner Village Shopping Centre is an open air neighbourhood centre with 21 specialty shops, 1 supermarket and an additional 3 shops adjacent to the centre.

Clean Space Australia Pty Ltd have been contracted to undertake the cleaning services and have been performing well for 4 months now.

As the site is offsite managed, we rely heavily on our cleaners and have found Clean Space to be very professional, trustworthy and supportive. They have been very communicative in informing management of any issues that require attention, allowing us to better manage the property.

Clean Space have invested considerable time bringing the centre back to standard and have a specialty in tile restoration with the centre internal and external tiles being cleaned beyond all expectations.

We do not hesitate in recommending Clean Space Australia Pty Ltd's services for other properties.

Kind Regards,
